Service Conditions and Delivery Options

24h Express Hose Assembly Service and Fast Delivery in Europe

When time is a critical factor, having a fast and reliable response makes all the difference. For this reason, we offer our customers a 24h express hose assembly service, designed to reduce production downtime and ensure operational continuity, together with optimized fast delivery options across Europe.

Order assembly is carried out at our headquarters facilities. Orders received **before 10:00 AM will be assembled the same day**, while orders received after 10:00 AM will be assembled on the next working day. For lead time calculations, only working days at headquarters are considered.

Technical and Operational Service Conditions

- Hoses cannot include any extras, such as:
 - labels
 - special markings
 - non-standard identifications
 - other customized elements
- Maximum quantity: 10 hoses per order.
- The service applies exclusively to the dimensions and components included in this program.
- Available only for direct-to-customer orders.
- For orders outside the European Union, the customer must be a direct VIBE customer.

Fast Delivery Options

- 48–72 hour delivery
 - Available in all European countries, except Russia and Turkey.
 - Flat rate: €25.
- 72–96 hour delivery
 - Available for Turkey.
 - Flat rate: €50.
